Jesus Bencomo

College Student

Excellent work performance in individual and team roles combined with superior attendance record. Has been going to school for 2 years now to obtain his AAS in Automotive and has rebuilt an engine, a manual and auto trans, taken apart drivetrain components and done work on multiple steering, coolant, fuel, and brake systems. Looking for a change in career choice from automotive. Has done some work in graphic design making thumbnails for youtube, and proficiently familiar with some of the adobe softwares. Hardworking and passionate job seeker with strong organizational skills eager to secure an entry-level position in a digital animation or graphic design career. Ready to help the team achieve company goals.

Experience

April 2023 - August 2023

Amazon Myriad DSP *Broomfield, CO*

Delivery Driver

As a driver for Amazon you have to usually deliver from 250 packages and up in a day.

- You're in charge of organizing and communicating with your DSP.
- You have to know how to use discord and other mobile applications to communicate with the customer / your DSP, and deliver the packages to their destination.

October 2021 - Present

LaborJack *Fort Collins, CO*

Laborer

As a muscle for hire, a laborer assisted people with moving, landscaping, small backyard projects, etc.

- Loaded, unloaded, and moved material to and from storage and production areas.
- Worked alongside the team to accomplish work goals according to schedule.

June 2022 - September 2022

Tribus Services *Denver, CO*

Electric Meter Installer

Being an electric meter installer for Tribus Services meant being able to deal with electric systems rated at 240V, having to wear special equipment to prevent harm to self or customer's house and being able to exchange an old meter with the new Excel electric meter at businesses and people's houses without interrupting the power. Had to let the customer know of the new product and be respectful if they wished to opt out.

- Installed, inspected and tested electric meters, relays and power sources to detect causes of malfunctions and inaccuracies using hand tools and testing equipment.
- Recorded maintenance information, test results, material usage and repairs made.
- Proved successful working within tight deadlines and a fast-paced environment.

Language

English

Spanish

April 2022 - May 2022

Spiffy *Denver, CO*

Technician

Performed inspections, oil changes, and tire rotations on the airport car rentals. Usually doing around 15 cars a day and vehicles could range from a 2020 Chevy Tahoe to more exotic vehicles like the 2020 Audi Q7.

- Addressed routine equipment maintenance according to the established schedule.
- Drafted preventive maintenance schedule to support equipment longevity.

November 2020 - January 2021

UPS *Denver, CO*

Driver Helper

A seasonal job that was meant to help out the UPS drivers in the peak season. The UPS driver would scan the packages and figure out the route for the day while the driver helper would deliver all the packages to their destination. I was in charge of delivering to people's front porches, the local auto shop, businesses, etc.

- Maintained vehicle organization and cleanliness and reported any issues to the driver.
- Assisted driver with product or package deliveries to residential and commercial locations.

October 2020 - November 2020

FedEx *Broomfield, CO*

Package Handler

Removed jams and unblocked conveyor system to maintain flow of goods. Loaded up delivery trucks and scanned in packages to prepare for tracking.

- Verified correct labels and accurate shipping information on packages to avoid shipping to wrong addresses.
- Collaborated with other package handlers to provide prompt and accurate delivery of orders.

September 2019 - March 2020

Hobby Lobby *Thornton, CO*

Cashier

Assisting customers with questions they had and their purchases at the register. Round up all the carts from outside. Occasionally clean bathrooms, mop, and sweep the store. Help unload supply trucks and stock the shelves with new merchandise.

- Assisted customers with returns, refunds and resolving transaction issues.
- Greeted customers entering the store and responded promptly to customer needs.
